Dear Sir / Madam,

**Letter of Appreciation**

I would like to express our gratitude to your support to Hong Chi Children Home in the year of 2014, on organizing movie-watching, Mid-Autumn Festival celebration, peak-hiking and barbecue for our children, as well as sponsoring food and the barbecue grill to us.

It is my pleasure to thank you and extend my sincere appreciation for organizing the above-mentioned activities altogether with your love and care to our children. They enjoyed the activities so much.

I cordially welcome you to share the joy with our children. I look forward to your continuous support in the future.

Yours sincerely,

*Law So Ching*
